India has become one of the key players in tomorrow's world. A world of risks and opportunities that requires the conscious commitment of the young generation, aware of the challenges of the 21st century.

ENGAGE University and Techno India have decided to join forces to give birth to the first class of Young Conscious Leaders in India. Young Conscious Leaders is a unique Global Fellowship Programme tailored for 12th graders on the verge of entering college. So come develop unique, fundamental responsible leadership skills and become conscious leaders of tomorrow.
